

## GRANT PROCESS OVERVIEW

### (Grant Application, Submission, Review & Approval Process)

- a. Rotary Service and the SF Rotary Foundation (SFRF) Board will consider grant requests consistent with the attached “Grant Criteria” outline.
- b. Grant requests are made via a thoroughly prepared “The San Francisco Rotary Foundation Grant Request” form, available at [sfrotary.com](http://sfrotary.com). *Please read these instructions before you attempt to fill out a Grant Request form.*
- c. If the project/event committee or organization requesting an SFRF Grant received funds from SFRF previously for the same or a similar project/event and an SFRF Grant Final Report has not yet been submitted, the Final Report *must be included* with the new Grant Request form. ***Additional grant requests will not be considered without the previous grant Final Report.***
- d. Grant requests originate in the RCSF Community Service or International Service Committees and must be reviewed and approved by the Rotary Service Board prior to being submitted to the SFRF for consideration. Rotary Service’s review and approval is indicated by the Committee Chair, Service Board Director, and RCSF Service Board President all having reviewed and signed the Grant Request form.
- e. Fully completed Grant Request forms approved by the Rotary Service Board must be emailed to both Grant Review Committee Co-Chairpersons, John Hoch ([hochjohn@hotmail.com](mailto:hochjohn@hotmail.com)) and Fred Marschner ([fred.marschner@nm.com](mailto:fred.marschner@nm.com)) not less than seven days prior to the SFRF Board meeting at which consideration of the grant is desired.
- f. Grant requests early in the current Club/fiscal year will be reviewed for approval by the SFRF Board *when submitted properly and found fully complete*. If new events/projects arise later within a Club/Fiscal year, SFRF will review and consider them for approval *not later than the May SFRF Board meeting*, which will require the grant request(s) to be forwarded to the Grant Review Co-Chairpersons *not later than May 1<sup>st</sup>*.
- g. Upon receiving a grant request, the SFRF Grant Review Committee will review the Grant Request forms to ensure they are complete, that Rotary Service has reviewed and approved the grant application and all required signatures are affixed and, for projects/events previously provided a grant, a fully completed Final Report form has been received.

## GRANT PROCESS OVERVIEW (CONT.)

## **Grant Criteria**

The San Francisco Rotary Foundation (SFRF) Directors shall from time to time, distribute by loan or gift, the income and capital gains of the Foundation to directly benefit residents of the City and County of San Francisco, State of California and elsewhere such charitable, educational and scientific purposes as are embraced in the activities of the Rotary Club of San Francisco (RCSF) and Rotary Services, Inc.

In order to carry out this responsibility, SFRF Board has developed the following guidelines and criteria. Grants will be funded with strong consideration given to the following priority of giving:

1. RCSF events/projects which use the Club's name as a major sponsor of the project. Projects which require hands on service by Rotarians for either a one time or continuing service are to be considered highest priority.
2. Grant requests from Not for Profit organizations that have a history of working together with Rotarians. Grants involving funding of a specific project which offers: (1) Rotarians' active involvement in the project, (2) naming recognition for Rotary's support of the project, (3) a large number of Rotarians' continued active involvement with the organization will be the priority used when considering these projects.
3. Grant requests to provide emergency aid in response to a disaster relief effort.
4. Promote the Club's good name or benefit the Club by increasing membership, enhancing the membership's Rotary experience, or providing opportunities for Rotarians to work in one of the four avenues of service.
5. Grants for general funding support of Not for Profit Organizations which have Executive Directors, or multiple Rotarians on their Board who are active and supportive in their membership in the Rotary Club of San Francisco.
6. Grants for specific projects of Not for Profit Organizations, and Government Agencies which fail to meet the above criteria. Preference in funding will go to the organizations which support Rotary through memberships and publicly naming Rotary as a financial supporter.
