# WAYS TO SUPPORT TRF – PLANNED GIVING

We support Rotary because of its effectiveness in making the world a better place — Rotarians working together to improve the lives of others at the local level all around the world.

It was so simple to include The Rotary Foundation's Endowment Fund when we did our estate plans. We are happy that through our bequests we will continue to improve the lives of others even after we're no longer on this earth. How could we not act now to better the lives of others for years to come?
