BE THE INSPIRATION

Rotary
Club of San Francisco

Welcome to our Club Meeting!
August 14, 2018

Of all the things we think, say, or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

- Encourage co-workers to respect the skills and abilities of all co-workers
- Remember that the new person was hired because he or she has the skills to do the job

Supervision Strategies

- Not required to lower quality or standards for any co-worker

How to be a champion for your company

 - Instead of, “What kind of job could a person with ID/DD do?” Try, “Why **couldn't** a person with ID/DD add value in this role?”
- ✓ **Get to know your talent needs:** Where does your company need support? What is a pain point we can help you resolve?

Be a champion for your company

- ✓ **Share our Test Cases:** Connect directly with a current employer and learn how hiring through The Arc has supported critical business needs and D&I goals.
- ✓ **Talk to your talent management/ HR Team:** Does your company have a Diversity and Inclusion Plan? Where does disability fit in this plan?
- ✓ **Attend a workforce networking event:** Our Business Advisory Council hosts networking events throughout the year to highlight our partnerships and success. Join us!
